

Ohio Manufactured Homes Commission

5100 Parkcenter Avenue, Suite 103, Dublin, Ohio 43017

Homeowner / Installer Agreement

The homeowner may obtain their own permit to install a manufactured home only if they meet all of the following conditions:

- Home is located on the property that the person owns and, Home is for their own occupancy and,
- Home is not located in a manufactured home park and, Understand that they will not be eligible for dispute resolution (see below)

The homeowner, who obtains a permit to install a manufactured home, must be responsible for all the work themselves, however they may contract out portions of the work to an OMHC licensed installer who is currently active and all contracted work must be identified and agreed upon in writing (see below). The installer will be responsible for their portion of the installation that is identified by checking the list below and signed by the owner and the installer(s):
